

RUSSELL COUNTY FREE FAIR CODE OF ETHICS

Exhibitors and/or their 4-H parents and guardians, shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of education. This code applies to all exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event.

All youth leaders and/or 4-H parents and guardians working with any exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Exhibitors and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the Russell County Free Fair. Exhibitors who violate this code of ethics demean the integrity of all exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of Russell County Free Fair Board, Class Superintendent or Extension Agent, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Exhibitors, and/or 4-H parents and guardians, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by Russell County Free Fair Board, Class Superintendent or Extension Agent.
3. Animals shall be presented to show events where they will enter the food chain free of volatile drug residues. The act of entering an animal in a livestock show is the giving of consent by the exhibitor, and/or 4-H parent and guardian, or absolutely responsible person for Russell County Free Fair Board to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample

taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the Russell County Fairgrounds, a licensed veterinarian shall administer all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal.

4. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited. Procedures, which are acceptable, are limited to castration, ear notching, tail docking, and dehorning.

5. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

6. Direct criticism or interference with the judge, Russell County Free Fair Board member, Class Superintendent, other exhibitors, or Russell County Extension Staff and Agents before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, Russell County Free Fair Board members, Class Superintendents or Russell County Extension Staff and Agents shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

7. No exhibitor, and/or 4-H parent and guardian, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

8. The application of this Code of Ethics provides for absolute responsibility for an animal's condition by an exhibitor, and/or 4-H parent and guardian, or absolutely responsible person whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

9. The act of entering an exhibit is the giving of consent by the exhibitors, and/or 4-H parent and guardian, or absolutely responsible person to have disciplinary action taken by the Russell County Free Fair Board for violation of this Code of Ethics and any other rules of competition of the Russell County Free Fair without recourse against the Russell County Free Fair, Russell County Free Fair Board, Class Superintendents, or Russell County Extension Staff and Agents. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the Russell County Free Fair Board may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

10. The act of entering an exhibit in the Russell County Free Fair is the giving of verification by the exhibitor, and/or 4-H parent and guardian, or absolutely responsible person that he or she has read this Russell County Free Fair Code of Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
